

REGIONAL STEWARDSHIP

Making an Impact Where We Are

www.muw.edu/priorities

The W has a unique niche in the region and in the state. Through **programs**, **service**, and **partnerships** with other organizations, the university must continue to communicate its value to the region and explore ways to create greater impact through its areas of strength.

Current Goals

1. Cultivate collaborations that increase health and well-being
2. Provide outreach to underserved populations
3. Strengthen and expand K-12 Partnerships
4. Contribute to the creative economy
5. Forge meaningful and engaged partnerships that provide real-life experiences for students
