The Academic Council does not review this policy every year. Senate reviews this procedure annually.

- a. Fund A: Currently has \$1568.30. Requests for funding totaled \$1350. Richard Holden, Marie Byrne, Angela Farmer and James Ward are all requesting funding at various levels for presentations at meetings. It was determined that Lee Crouse's request better fit the criteria for Fund B.
- b. Faculty Foundation Award—Fund B has \$2000. Lee Crouse's request for funding for a Certified Teacher Program (\$775) fit this category better. David Carter made a motion that the request be funded. Clara Rustin seconded the motion, and it carried.

### **Updates:**

- b. Academic Council—Barry—They are looking at the International Baccalaureate program, and student's credits.
- c. PIE Council—Nancy—Discussion on the upcoming SACS visit. SACS has changed a lot since their last visit (2003). Some concerns they voiced last fall have been addressed. They have told us in advance some of the things they want to see. Discussion also held on splitting PIE into a Planning committee and an Institutional Effectiveness committee. What would an IE committee look like?
