

CAMPUS TECHNOLOGY ADVISORY COUNCIL

MINUTES – October 15, 2015

Present – Carla Lowery, Marty Hatton, Lynn Dobbs, Rich Sobolewski, Gail Gunter, Shelly Moss, Amber Handy, Melanie Freeman, Lisa McDaniel, Melinda Lowe, Rodney Godfrey, Nicole Patrick, David Brooking, Irene Pintada, Barry Smith, Scott Tollison, Nicole Welch, Leanne Markham, Jennifer Moore

1. Minutes were approved for the September 9th meeting.
2. Rodney reviewed what the university currently does for network security. Some of the topics covered were: Firewall upgrade in 2014-15 fiscal year, content filtering, antivirus, co-managed services, webserver rebuild, data encryption for laptops, end user security, backups.
3. The group discussed instructional technology, upcoming Canvas training in December, Big Blue Button and the need for standardized webcams for distance learning.
4. It was decided that Amber would chair a sub-committee on distance education from a technology perspective and all faculty and students from the CTAC would be a member. The group will meet before the next CTAC meeting and discuss findings with the entire group later.
